

Derby City Dementia Voices

This friendly and welcoming group gives people with dementia the opportunity to come together, share experiences, and have their voices heard. By joining, you can help influence local services and support organisations to become more dementia friendly.

As a member, you will have the chance to:

- Share your experiences and ideas with others who understand
- Help shape and improve services for people affected by dementia
- Influence decisions made on dementia support in Derby City
- Influence decisions made across Alzheimer's Society
- Make a positive difference in your local community

Together, we can ensure that the voices of people living with dementia are heard and valued. Join us and help make a real difference.
